GRAPE VINE SPECIALISTS

FREDONIA, NEW YORK

Our Specialty

FOR MORE than thirty-five years we have made the growing of high grade Grape Vines a specialty. Our annual plantings average over one hundred acres, embracing many millions of vines, closely planted in nursery rows. We aim to keep in stock everything for the Planter or Dealer, all graded to our standard, known as the Fredonia Standard, which we originated many years ago, and now well known to the trade wherever grape vines are planted. Through our immense business and wide acquaintance we have established a national reputation for accuracy in varieties, grading to the highest standard, and promptness in filling orders, of which we are proud, and which it will always be our aim to deserve.

LOCATION—Three miles south of Dunkirk, forty miles west of Buffalo, on the L. S. & M. S. R. R.; Erie R. R.; N. Y. Chi. & St. L. (Nickel Plate) R. R.; Penn'a R. R.; and D. A. V. & P. R. R. Electric cars connecting with all day and evening trains at Dunkirk, go directly past our office and cellars, at 29 Central Avenue.

PACKING done in the most thorough manner. No charge for boxes.

TIME OF SHIPMENT—October 1 to June 1. Our stock being stored in cellars, can be safely sent by mail or express any time during winter, or by freight, express, or mail, after which our responsibility ceases.

WE NEVER SUBSTITUTE, but we reserve the right to fill orders for one-year vines with older vines of the same size, unless instructed to the contrary, and for two-year vines with extra large one-year of the same size as the two-year.

SAMPLES will be mailed to those wishing to purchase in quantity, at 100 rates with five cents added for postage on three one-year vines, and ten cents on three two-year vines.

GUARANTEE

We warrant our stock true to name and quality represented, with the express understanding and agreement that should any not prove true to name, we will refund the money paid or replace with others that are true, but will not be liable for damages other than herein named.

TERMS

CASH with the order, or satisfactory references from unknown correspondents.

ALL BILLS must be paid by December 1, unless otherwise agreed.

FOR ALL BILLS not paid by December 1st, we will draw at sight without notification.

INTEREST charged on all bills overdue. Note Payable at Bank for 30 or 60 days will be accepted on satisfactory references.

IF TO BE SHIPPED C. O. D., one-fourth of the bill or satisfactory references required with order from unknown correspondents; return charges on money to be paid by buyer.

AS THE SEASON advances we are likely to be short of some varieties, and we reserve the right to advance the prices without notice, or decline to allow the discounts offered below. We advise our customers to order early.

FROM RESPONSIBLE DEALERS who wish to order in the Fall for Spring trade (the vines not to be shipped before November 1) we will accept note at bank, without interest, due June 1 next.

Weight of vines packed for shipment:

1 year No. 1, about 140 to 180 pounds per 1,000.

1 year No. 2, about 100 to 150 pounds per 1,000.

2 year No. 1, about 280 to 350 pounds per 1,000.

These are about the average weights for a single thousand, including box. Where a number of thousand are shipped in the same box, the weight will average from one-fifth to one-third less, according to quantity.

We will quote freight or express rates to any point on application.

Green's Early

Is a white grape, in size nearly as large as Niagara, of fine quality, ripening before Moore's Early, an excellent shipper. The vine is a chance seedling of the Concord type, discovered about thirteen years ago in Portland, Chautauqua Co., N. Y. It has been quite largely planted in this county, where it has attracted much attention among vineyardists. We believe it a valuable acquisition and recommend its trial.

Copy of Certificate of Inspection

A Certificate of Inspection will be sent with every shipment, and where State laws require it stock will be fumigated with hydrocyanic gas of the strength usually employed for that purpose.

Grape Vines

One-year No. 2 vines, at 70 per cent of the price of one-year No. 1.

Two-year No. 1½ vines of most kinds, one-half between price of two-year No. 1 and one-year No. 1.

Three-year vines, heavy, of most kinds, one-half additional to price of two-year No. 1.

Box and packing free.

These prices are subject to change without notice.

Strawberries

STRAWBERRY plants will not be ready for shipment before October 15th. We advise our customers to wait until Spring before planting, as plants are then much better rooted and will succeed better than when planted in the Fall.

For Spring shipment we expect to have a very large stock of extra fine plants, all grown from our new beds planted in Spring of 1904.

Special Notice

We have had a very favorable season for growth thus far this year, and our stock of all kinds promises to be above the average in quality. We have recently bought a new farm with a soil especially adapted to our wants, on which nursery stock has never been grown, and on this we now have the finest growth of Grape Vines, Currants, etc., we have ever seen. Our customers can rely on their orders being filled with extra fine stock. Order early to ensure your order being filled in full before our assortment of varieties is broken.
